

# Lennox add-on cooling LCS series

## The luxury of year round comfort at an everyday price

When you choose Lennox you get more than just a cooling unit. You get a complete home comfort system from a manufacturer that is committed to providing you with the luxury of year round comfort at an everyday price.

Modern design and environmentally focused refrigerant feature in the new Comfort Series add-on cooling units from Lennox. With industry leading efficiencies, you'll benefit from lower running costs and lower carbon emissions than comparable units.

# Lennox add-on cooling LCS series

## The Luxury of Lennox

### Add-on Cooling

Lennox add-on cooling complements your gas furnace to provide year round climate control.

Lennox add-on cooling can be installed to your existing gas ducted heater, regardless of brand.

One thermostat can control both heating and cooling to deliver cool refrigerated air through your existing heating vents.

Lennox also has a full range of Indoor Air Quality products such as humidifiers and air-purification systems to complement your heating and cooling unit.

Outdoor Unit LCS-18C-1X

Add-on Cooling - Specifications			
Model Number		LCS-18C-1X	LCS-17C-3X
<b>PERFORMANCE</b>			
Rated Cooling Capacity*	kW	16.6	17.9
Sensible Capacity	kW	13.96	14.43
Efficiency Rating AEER		3.166	3.220
Compressor Type		Scroll	Scroll
Sound Pressure	dB(A) @ 1M	65	59
<b>ELECTRICAL</b>			
Power Supply Voltage	V	240	415
Full Load Current	A	27.7	9.8
<b>INSTALLATION</b>			
Unit Dimensions W x H x D	mm	900 x 1167 x 330	940 x 1245 x 330
Weight	kg	110	108
Refrigerant Type		R410A	R410A
Pipe Sizes - Liquid	mm (inch)	9.53 (3/8")	9.53 (3/8")
Pipe Sizes - Suction	mm (inch)	16.00 (5/8")	16.00 (5/8")

\* Capacities listed are nominal, for net capacity calculated using MEPS HP Rate Simulation Software, refer to MEPS ratings at [www.energyrating.gov.au](http://www.energyrating.gov.au)

### Advanced Comfort Controls

Coupled with one of the Lennox advanced programmable thermostats, your home comfort package not only delivers accurate climate control but can also help minimise your energy costs.
